

## LC UPC To SC UPC Patch Cord , Duplex Single Mode OS2 Fiber Cable 2.0mm

Our Product Introduction

for more products please visit us on [optical-fibercables.com](http://optical-fibercables.com)

### Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FiberMania
- Certification: ISO, UL, CE, RoHS
- Model Number: LCSC-SM022RYL
- Minimum Order Quantity: 10 Pieces
- Price: Negotiable
- Packaging Details: PE bag or OEM service optional
- Delivery Time: 5 days
- Payment Terms: T/T, Western Union, L/C
- Supply Ability: 10000 Pieces per day

### Product Specification

- Name: Duplex Single Mode OS2 Fiber Cable
- Connector A: LC/UPC Duplex
- Connector B: SC/UPC Duplex
- Fiber Mode: OS2 9/125μm
- Cable (OD): 2.0mm
- Cable Jacket: OFNR
- Jacket Color: Yellow
- Insertion Loss: ≤0.2dB
- Return Loss: ≥50dB
- Highlight: **LC UPC To SC UPC Patch Cord , Duplex Single Mode OS2 Fiber Cable, Single Mode OS2 Fiber Cable 2.0mm**

## Product Description

### LC UPC to SC UPC Fiber Optic Patch Cable Duplex Single Mode OS2 OFNR 2.0mm Yellow

At present, in communication systems, especially in high-capacity communication systems, single-mode optical cables are mostly used. The transmission loss and dispersion of single-mode optical cables are relatively small. Low transmission loss can enable signals to be transmitted over longer distances in optical fibers, and low transmission dispersion is beneficial for high-speed and high-capacity data transmission. This high-speed Single Mode 9/125μm duplex fiber optic patch cable is terminated with LC/UPC connectors on one end and SC/UPC connectors on the other end (LC/UPC-SC/UPC). It is ideal for 1G/10G/25G/40G/100G/400G Ethernet connections. It can transmit data up to 10km at 1310nm wavelength, or up to 40km at 1550nm wavelength.

#### Applications

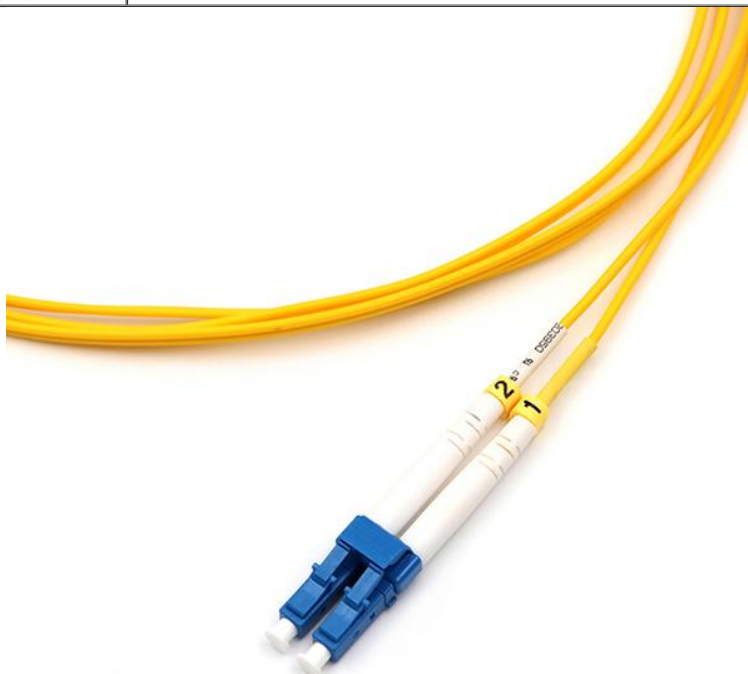

1. Data centers
2. Ethernet applications
3. FTTH applications
4. Fiber optic communication network
5. Video, data and voice services
6. Test equipment applications

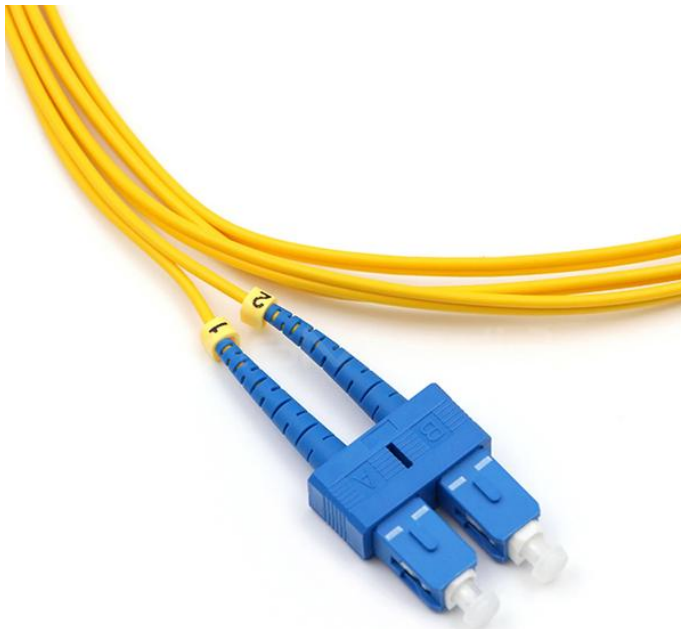

#### Features

1. Snap-in LC Connectors and Push-pull SC Connectors for Easy Installation
2. Long distance transmission
3. High speed transmission
4. Large transmission bandwidth
5. Compatible with SFP Modules and XFP Transceivers
6. UL, RoHS materials compliant

#### Specifications

Characteristics	Standard Fiber Cable Assemblies
Connector Type	LC to SC
Polish Type	UPC to UPC
Ferrule Materials	Zirconia Ceramic
Fiber Type	Single Mode(G.657A1)
Testing Wavelength	1310/1550nm
Min. Bend Radius(Fiber Core)	10mm
Min. Bend Radius(Fiber Cable)	10/5D (Dynamic/Static)
Exchangeability	≤0.2dB
Attenuation at 1310 nm	0.36dB/km
Attenuation at 1550 nm	0.22dB/km
Polarity	A (Tx) to B (Rx)
Operating Temp. (C)	-20°C ~+70°C
Storage Temp. (°C)	-40°C ~ +85°C

### FAQ

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
