

1.6mm Steel Fiber Optic Enclosure Wall Mount Fiber Management

Our Product Introduction

for more products please visit us on optical-fibercables.com

Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FIBERMANIA
- Certification: CE, RoHS
- Model Number: FWE-24SC-S-BK
- Minimum Order Quantity: 10 Pieces
- Price: Negotiable
- Packaging Details: PE Bag+Carton
- Payment Terms: T/T, Western Union, L/C
- Supply Ability: 1000 Pieces

Product Specification

- Product Type: Fiber Optic Enclosure Wall Mount
- Color: Black
- Capacity: 4 LGX Adapter Panels
- Fiber Capacity: 24 X SC Single Fibers
- Cable Entry Direction: Rear Entry
- Coating: Electrostatic Polyester Powder Coat Paint
- Material: 1.6mm Gauge Steel
- Dimensions (HxWxD): 290x360x105mm
- Highlight: **1.6mm Steel Fiber Optic Enclosure Wall Mount, RoHS Fiber Optic Enclosure Wall Mount**

Product Description

Wall Mount Fiber Enclosure Holds 4 LGX Adapter Panels Black

The wall-mounted fiber enclosure is a protective device specifically designed for fiber optic cables, typically installed on walls to facilitate the storage, management, and protection of fiber connections. This enclosure is particularly suitable for environments with limited space, such as main cross-connects and telecommunications rooms. Its design not only prioritizes the safety of the fiber connections but also enhances user convenience, ensuring stability in fiber connectivity. Features of the wall-mounted fiber enclosure include durable materials, flexible fiber adapter options, and efficient fiber management systems. This enclosure can accommodate various types of fiber adapters, meeting diverse user needs. Whether in residential, commercial, or industrial environments, the wall-mounted fiber enclosure provides reliable solutions, ensuring high efficiency and stability in fiber connections. Its extensive application in FTTH and FTTB networks helps users achieve more effective fiber management and maintenance.

Features

1. LGX compatible design
2. Rack mountable
3. Holds 6 LGX adapter panels or 6 LGX MPO cassettes
4. 19" or 23" size for mounting installation
5. Front acrylic door
6. Slide out function
7. Front and rear for opening
8. OEM packaging
9. Can be ordered either empty or with adapters and pigtails fully loaded

Specifications

| | |
|-------------------------|---|
| Fiber Capacity of panel | 12-144 core(12 24 48 port usually) |
| Panel Connector | SC LC ST FC |
| Type | Sliding Fixed |
| Dimension | 19" 1U/2U/3U/4U... |
| Material | Cold Rolled Steel or Aluminum |
| Storage Temperature | -45~+65°C |
| Thickness | 1.0 1.2 mm |
| Accessories | Cable ties, mounting ear screws, and spiral wrap tube |

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
