

Compact Wall Mount Fiber Enclosure Customized Logo With Single Door Black

Basic Information

Place of Origin: Shenzhen, China
Brand Name: FIBERMANIA
Certification: CE, RoHS
Model Number: FWE-S12SC-BK
Minimum Order Quantity: 10 Pieces
Price: Negotiable
Packaging Details: PE Bag+Carton

• Payment Terms: T/T, Western Union, L/C

• Supply Ability: 1000 Pieces

Product Specification

Product Type: Wall Mount Fiber EnclosureFiber Capacity: 12 X SC Single Fibers

• Cable Entry Direction: Rear Entry

Coating: Electrostatic Polyester Powder Coat Paint

Material: 1.6mm Gauge Steel
Capacity: 2 LGX Adapter Panels
Dimensions (HxWxD): 260x300x90mm

• Color: Black

• Highlight: CE Wall Mount Fiber Enclosure,

Compact Wall Mount Fiber Enclosure, Wall Mount Fiber Enclosure Customized Logo

Product Description

Wall Mount Fiber Enclosure Holds 2 LGX Adapter Panels With Single Door Black

The wall-mounted fiber enclosure is an efficient tool for fiber management, designed to optimize the termination, splicing, and distribution of fiber optic cables. Typically installed on walls, this enclosure effectively utilizes vertical space, making it ideal for constrained environments such as data centers and telecommunications rooms. The design allows users to flexibly configure fiber adapters, catering to specific requirements for various fiber networks. Key characteristics of this enclosure include a robust structure, excellent protective performance, and an easy-to-manage fiber routing system. The fiber and cable management capabilities within the enclosure ensure that connections remain organized and reduce potential points of failure. Furthermore, the wall-mounted fiber enclosure is suitable for both indoor and outdoor applications, capable of withstanding diverse environmental conditions. Its widespread use in FTTH, FTTB, and local area networks provides users with reliable fiber connection and management solutions.

Features

- 1. LGX compatible design
- 2. Wall mountable
- 3. Holds 2 LGX adapter panels
- 4. OEM packaging
- 5. Lockable door
- 6. Can be ordered either empty or with adapters and pigtails fully loaded

Specifications

| Fiber Capacity of panel | 12-144 core(12 24 48 port usually) |
|-------------------------|---|
| Panel Connector | SC LC ST FC |
| Туре | Sliding Fixed |
| Dimension | 19" 1U/2U/3U/4U |
| Material | Cold Rolled Steel or Aluminum |
| Storage Temperature | -45~+65°C |
| Thickness | 1.0 1.2 mm |
| Accessories | Cable ties, mounting ear screws, and spiral wrap tube |

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
