OEM ODM Wall Mount Fiber Enclosure Holds 4 LGX Adapter Panels With Single Door Black

Our Product Introduction

for more products please visit us on optical-fibercables.com

Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FIBERMANIA
- Certification: CE, RoHS
- Model Number: FWE-S24SC-BK
- Minimum Order Quantity: 10 Pieces
- Price: Negotiable
- Packaging Details: PE Bag+Carton
- Payment Terms: T/T, Western Union, L/C
- Supply Ability: 1000 Pieces

Product Specification

- Product Type: Wall Mount Fiber Enclosure
- Capacity: 4 LGX Adapter Panels
- Cable Entry Direction: Rear Entry
- Coating: Electrostatic Polyester Powder Coat Paint
- Fiber Capacity: 24 X SC Single Fibers
- Material: 1.6mm Gauge Steel
- Dimensions (HxWxD): 305x305x90mm
- Color: Black
- Highlight: OEM Wall Mount Fiber Enclosure,
ODM Wall Mount Fiber Enclosure,
Black Wall Mount Fiber Enclosure

Product Description

Wall Mount Fiber Enclosure Holds 4 LGX Adapter Panels With Single Door Black

The wall-mounted fiber enclosure is an important fiber management device designed for installation on walls to enhance the efficiency of storing, protecting, and managing fiber optic cables. This enclosure is especially suited for limited space environments, such as telecommunications rooms and main cross-connects. Its structure is typically made from high-strength materials, offering excellent protection against external environmental factors. Key features of the wall-mounted fiber enclosure include support for multiple fiber adapters, user-friendly fiber management design, and high adaptability. It can accommodate different types of fiber connections, helping users quickly implement fiber splicing and distribution. Additionally, the wall-mounted design simplifies installation and maintenance, reducing operational complexity. Widely used in FTTH, FTTB, and other communication networks, the wall-mounted fiber enclosure provides users with efficient and reliable fiber connection solutions.

Features

1. Can be ordered either empty or with adapters and pigtails fully loaded
2. Front and rear for opening
3. 19" or 23" size for mounting installation
4. LGX compatible design
5. Rack mountable
6. Holds 6 LGX adapter panels or 6 LGX MPO cassettes
7. Front acrylic door
8. Slide out function
9. OEM packaging

Specifications

Fiber Capacity of panel	12-144 core(12 24 48 port usually)
Panel Connector	SC LC ST FC
Type	Sliding Fixed
Dimension	19" 1U/2U/3U/4U...
Material	Cold Rolled Steel or Aluminum
Storage Temperature	-45~+65°C
Thickness	1.0 1.2 mm
Accessories	Cable ties, mounting ear screws, and spiral wrap tube

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
