

1 Port Fiber Optic Cable Terminal Box For Telecommunication Network

Our Product Introduction

for more products please visit us on optical-fibercables.com

Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FIBERMANIA
- Certification: ISO, UL, CE, RoHS
- Model Number: FTB9-SC-1
- Minimum Order Quantity: 10 Pieces
- Price: Negotiable
- Packaging Details: PE Bag+Carton
- Delivery Time: 7-10 working days
- Payment Terms: T/T, Western Union, L/C
- Supply Ability: 50000pieces/Year

Product Specification

- Model Number: Fiber Optic Cable Terminal Box
- Installation Type: Wall Mounted
- Connect Method: PLC Splitter/Pigtail Splicing
- Adapter Type: SC/LC
- Fiber Core: 1 Cores
- Waterproof Rate: IP65
- Material: ABS+PC
- Dimension(mm): 150x90x18mm
- Highlight: Telecommunication Network Termination Box,
1 Port Fiber Optic Cable Terminal Box,
1 Port Fiber Cable Termination Box

Product Description

Fiber Optic Termination Box 1 Port SC Simplex Type Plastic Housing For Indoor Use

This product is designed for various modules and is ideal for use in working area subsystems. It features an embedded surface frame that allows for easy installation and disassembly. Equipped with a protective door to keep dust at bay, it offers OEM capabilities to customize for any customer, including the option to print requested logos. The termination box accommodates fiber SC/LC simplex, duplex, and other specialized plates for different installation environments, allowing for complete flexibility in module configuration based on customer preferences. Additionally, cable management can be seamlessly connected without the need for cutting, thanks to the express port feature. All modules are designed to be free of welding, ensuring a clean and efficient setup.

Application

1. The telecommunication network, metropolitan area network, optical fiber communication system.
2. Optical testing equipment/instrument.
3. CATV optical fiber, optical fiber sensor.
4. Optical fiber broadband access network, FTTH optical fiber.
5. Optical fiber distribution frame, frame type and wall type optical fiber distribution unit.

Features

1. Cabinet can be installed by the way of wall-mounted or poled-mounted, suitable for both indoor and outdoor uses.
2. Distribution panel can be flipped up, feeder cable can be placed in a cup-joint way, easy for maintenance and installation.
3. Material: PC+ABS, wet-proof, water-proof, dust-proof, anti-aging, protection level up to IP65.
4. Clamping for feeder cable and drop cable, fiber splicing, fixation, storage, distribution...etc all in one.
5. Cable, pigtails, patch cords are running through own path without disturbing each other, cassette type SC adaptor installation, easy maintenance.

Specifications

Work Temperature	-40 C ~+85 C
Relative Humidity	≤ 85% (+30 C)
Atmospheric Pressure	70Kpa~106Kpa
Insert Loss	≤ 0.2dB
UPC Return Loss APC	≥ 50dB
Return Loss Insert and	≥ 60dB
Pull out Life Insulation	≥ 1000 times
Box Size	150x90x18mm

FAQ

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
