Product Description

2.5mm Fiber Optic One Click Cleaner for SC/FC/ST Connector With Over 800 Cleans

The One-Click Cleaner is an easy-to-use option for cleaning 2.5mm ferruled connectors in adapters. Simply insert the One-Click Cleaner into an adapter and push until an audible "click" is heard. The One-Click Cleaner uses the mechanical push action to advance an optical grade cleaning tape while the cleaning tip is rotated to ensure the fiber end-face is effectively, but gently, cleaned. The One-Click Cleaner is a must-have for field technicians. Small enough to fit in a shirt pocket and a great addition to cleaning kits.

Features:

1. Disposable with 800+ cleanings per unit
2. Easy pushing motion engages connector and initiates cleaner
3. Made from anti static resin
4. Cleaning micro fibers are densely stranded and debris free
5. Extendable tip reaches recessed connectors
6. Cleaning system rotates 180 for a full sweep
7. Audible click when engaged

Application:

1. Fiber network panels and assemblies
2. Outdoor FTTX applications
3. Cable assembly production facility
4. Testing laboratories
5. Server, switches, routers and OADMS with SC, FC and ST interface

FAQ

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
