Product Description

1.25mm/2.5mm Optional Fiber Optic Lint-free Foam Clean Swabs 100pcs/pack

This Stick Type Connector Cleaner uses dry alcohol-free cloth, its stick-type shape makes it a superb tool for cleaning connector ferrule end face located in difficult spots inside the adaptors. One piece of stick type cleaner can be used for four wipes for equipment construction and one wipe for maintenance purpose.

FiberMania supplies various featured fiber cleaning tools to help our customers on different operations.

Features:

1. Dry cleaning
2. Crush resistant to over 250N
3. Impact resistant to survive drops over 1.5M

Application:

1. CATV & FTTX
2. A variety of connectors
3. Industrial applications
4. Fiber optic communication networks

FAQ

Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
