Shielded CAT.7 SFTP Patch Cable 26AWG Black Jacket W/Green Boot T568B

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FIBERMANIA
- Certification: CE, ISO, RoHS
- Model Number: PC-7SF26BKP
- Minimum Order Quantity: 10 Pieces
- Price: Negotiable
- Packaging Details: Ziplock Bag in Carton
- Delivery Time: 20~25 Days
- Supply Ability: 10000 Pieces per month

Product Specification

- Application: Local Communication Cable
- Cable Type: Cat7
- Conductor Material: Copper
- Conductor Type: Stranded
- Material Shape: Round Wire
- Shielding Type: Shielded
- Gauge (AWG):   26AWG
- Twisted Pairs: 4 Pairs
- Wire Scheme: T568B, Straight
- Cover Material: PVC
- Data Rate Support: 10GBase-T
- Highlight: **Shielded CAT.7 SFTP Patch Cable,
                        26AWG CAT.7 SFTP Patch Cable,
                        Black Jacket CAT.7 SFTP Patch Cable**

Product Description

High Performance CAT.7 Shielded SFTP 26AWG Black Jacket W/Green Boot Patch Cable

CAT.7 SFTP Patch Cable, 26AWG, Black Jacket W/Green Boot supports data transmission speeds of up to 10Gbps and is suitable for high-speed network environments. CAT. 7 cables are typically used in large-scale data centers or network applications that require high bandwidth. The cable provides additional anti-interference protection by adding a layer of metal shielding and outer shielding around each pair of twisted pair wires, reducing signal interference and ensuring signal quality. The head shape uses a green sheath, which is usually used to provide additional protection for cable interfaces and help users quickly identify cables.

FiberMania CAT.7 SFTP supports 600MHz bandwidth, which has a superior performance in 10 Gigabit applications. It's perfect solution for server rooms, telecommunication rooms and data centers and its compact, snagless and flexible cable features are easier to route cleanly in high density environments.

Features:
1. 4 Pair 26AWG Stranded Bare Copper
2. 50 Micron Gold Plated RJ45 Connector
3. Pass Fluke Channel Test
4. 10Gbps Transmission speed
5. RoHS PVC or LSZH Jacket
6. Meet TIA/EIA 568-C.2 standard

Applications:
1. 10GBASE-T Ethernet
2. Backbone aggregation
3. Datacenter I/O Consolidation
4. Digital video and broadband/baseband analog video
5. Voice over Internet Protocol (VoIP)

Specification:

Product	CAT5E/CAT6/CAT6A/CAT7/CAT8 Patch Cord
Shielding Type	UTP/FTP/UFTP/SFTP/FFTP/SSTP
Conductor	1/2/4 Pairs
Conductor Material	Stranded Bare Copper
Connectors Type	RJ45 plug with 50 micron gold plating contacts
Jacket Material	PVC/LSZH/PE
Color Option	Grey, Blue, Green, Red, White, Black, Yellow, Orange or customized
Length	1-100M or customized
Flammability Grade	CM, CMR, CMP
AWG	23/24/26/28/32/36AWG
Wiring	T568A/T568B
Certification	ISO9001/UL/ETL/CE/RoSH

FAQ

Q1: What is the warranty of FiberMania's fiber patch cord?
A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?
A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?
A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?
A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?
A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?
A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
