19inch 1U CAT.3 UTP Telephone Patch Panel 50 Ports Krone IDC
Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FIBERMANIA
- Certification: CE, RoHS
- Model Number: PP-C3U50KBK
- Minimum Order Quantity: 1 Piece
- Price: Negotiable
- Packaging Details: 1PC/Box
- Payment Terms: T/T, Western Union, L/C
- Supply Ability: 1000 Pieces

## Product Specification

- Category: Cat3
- No. Of Ports: 50
- No. Of Rack Spaces: 1U
- Shielding Type: Unshielded
- Material: SPCC + ABS Plastics
- Housing: 1.5mm SPCC
- Color: Black
- Wiring Scheme: T568A/T568B
- Type Of Patch Panel: Flat
- Approvals: RoHS Compliant
- Highlight: **19inch CAT.3 UTP Telephone Patch Panel**, **1U CAT.3 UTP Telephone Patch Panel**

Patch Panels are a lucrative investment when establishing a high-performance and long-lasting network. Through facilitating along with organizing your networking cables, Patch Panels ease cable management and preserve the overall efficiency as well as productivity of your application. We offers some types of patch panels that could help your networking better.

CAT5E Patch Panels

Our CAT5E Patch Panels are specialized for your CAT5E network, coming loaded with keystone jacks already implanted within the panel. Whether your network requires 6-ports or 96-ports, we have an array of options to suffice your specifications and offer an abiding solution.

CAT6 Patch Panels

CAT6 Patch Panels provide an essential means of establishing a sound CAT6 ethernet network through sustaining multiple connections within a single structure. These panels come in shielded and unshielded variations, ranging in size from a half rack shelf unit (half-U) to four rack shelf units (4U). With our range of options, there is no need to compromise on the stipulations of your network.

CAT6A Patch Panels

The CAT6A Patch Panels allow your 10G network to prosper; with shielded structures to protect from electromagnetic interference (EMI), these Patch Panels are proven to be both cost-effective and efficient ways of maximizing network potential. As technology progress, know that your CAT6A system will remain sound for the years and years to come.

Features

1. CAT.3 Data & Voice 50 Ports Patch Panel
2. Meet TIA/EIA-568-A and TIA/EIA-568-B Category 3 requirements
3. Meet TIA/EIA TSB-40
4. Meet ISO/IEC Generic Cabling Standard 11801
5. Meet CENELEC Generic Cabling Standard EN50173
6. Angle: 90 Degree
7. Termination: Krone IDC Type
6. Can be ordered either empty or with adapters and pigtails fully loaded

Application

1. Data center management
2. Equipment rooms
3. Wiring closets

Specifications

Product	Cat3/Cat5e/Cat6/Cat6a Copper Patch Panel
Port Number	8, 12, 18, 24, 36, 48, 96port
Front Panel	Cold rolled steel
Plastic	High impact and flame retardant plastic,UL94V-0 rated
IDC Accept	22-26 AWG Solid Wire
Transmission Standards	ANSI/TIA-568.2-D	ISO/IEC 11801 Class E
Wiring	T568A	T568B
Insulation Resistance	Min.500 Mega Ohms
Contact Resistance	Max.20milli-Ohms
Dielectric Strength	750V AC RMS 60Hz 1min
Operating Temperature	-10 °C to +60 °C (+14 °F to +140 °F)
Storage Temperature	-40 °C to +70 °C (-40 °F to +158 °F)
Flammability Rating	UL 94 V-0

Q1: What is the warranty of FiberMania's fiber patch cord?
A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?
A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?
A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?
A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?
A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?
A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
