Product Description

Multifunctional Wire Stripping Cutting Crimping Tool For RJ45 8P8C Modular Plugs

Multifunctional Wire Stripping Cutting Crimping Tool is a 3-in-1 tool that easily performs crimping, cutting, and stripping operations, providing the utmost convenience. Sharp dual-side blades and cutting limit devices ensure precision during your operations. Having the right tools can make a job go smoothly. Enter this steel frame, hardened, black oxide finished, lightweight & durable RJ45 Crimping Tool for terminating Ethernet network cable. With this crimping tool you can cut, strip and crimp your cable, eliminating the need for multiple tools, which saves you time and money.

Features
1. For 8P8C/RJ45 Plugs
2. High precision crimp die & high quality durable steel blade
3. Hardened and black anti-oxidation treatment, light weight body
4. PVC Non-slip handle
5. Applied for stripping, trimming, crimping connectors

Q1: What is the warranty of FiberMania's fiber patch cord?
A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?
A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?
A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?
A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?
A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?
A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
