Mini Punch Down Tools For OD 5-6MM UTP/STP Cable On 110 Terminal Block

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: FIBERMANIA
- Certification: CE, RoHS
- Model Number: NT-1005
- Minimum Order Quantity: 10 Piece
- Price: Negotiable
- Packaging Details: 1PC/Blister Card
- Payment Terms: T/T, Western Union, L/C
- Supply Ability: 1000 Pieces

Product Specification

- Types: Punch Down Tool
- Function: Punch Down
- Application In: Networking Cables
- Color: Yellow
- Material: Plastic+Carbon Steel
- Specification: 1PC/BOX
- Highlight: **STP Punch Down Tools**,
                    110 Terminal Block Punch Down Tools,
                    Mini Punch Down Tools

Product Description

Mini Punch Down Tools For OD 5-6MM UTP/STP Cable On 110 Terminal Block

Mini Punch Down Tools for OD 5-6MM UTP/STP Cable on 110 Terminal Block is a manual tool specifically designed for network cable installation and maintenance. The main function of this tool is to crimp the wires of unshielded twisted pair (UTP) or shielded twisted pair (STP) cables with an outer diameter of 5-6 millimeters onto the 110 type terminal block. The 110 type terminal block is a common telecommunications and data communication connection hardware used to secure and connect network cables.

Proper tools makes progress efficient and cost effective. To offer our customers one-stop service, FiberMania supply a wide line of network tools including everything necessary for the installation and maintenance of Ethernet cable. From punch down tools, various crimping tools, cable stripper tools, cutters & strippers, cable testers etc.. We have got what you need!

Features:

1. For OD 5-6mm UTP/STP cable
2. For 110 terminal block use
3. Features an IDC 110 style contact blade for placing and terminating wires on patch panels and blocks.

FAQ:

Q1: What is the warranty of FiberMania's fiber patch cord?
A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

Q2: Is it possible to customize our brand information on your fiber cable?
A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

Q3: Can you do 3D interferometer test?
A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

Q4: What is your MOQ of your products?
A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

Q5: Are free samples available from you?
A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

Q6: Do you accept OEM and ODM orders?
A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
