

# 24 Port Copper Patch Panel Blank Keystone Shielded 1U 19" For Keystone Jacks, Black

## **Basic Information**

Place of Origin: Shenzhen, China
 Brand Name: FIBERMANIA
 Certification: CE, RoHS
 Model Number: BPP-LMM-24-1U

Minimum Order Quantity: 1 Piece
Price: Negotiable
Packaging Details: 1PC/Box

• Payment Terms: T/T, Western Union, L/C

• Supply Ability: 1000 Pieces

## **Product Specification**

• Type: Blank Patch Panel

No. Of Ports: 24No. Of Rack Spaces: 1UShielding Type: Shielded

Material: SPCC + ABS Plastics

• Housing: 1.5mm SPCC

• Color: Black

• Wiring Scheme: T568A/T568B

• Type Of Patch Panel: Flat

Approvals: RoHS Compliant

Highlight: Blank Keystone Copper Patch Panel,

## **Product Description**

## 24-Port Blank Keystone Shielded 1U 19" Patch Panel For Keystone Jacks, Black

This 1U patch panels provides 24 blank keystone ports each, allowing you to easily configure your network connections. The back panel is nickel plated for shielding, these patch panels ensure reliable performance and longevity. 1U Blank Keystone Patch Panel is made of high-quality cold-rolled steel and consists of 2 layers for effectively improving the stability of your network connection ports. Your keystone jacks can be popped in easily but fit snuggly. It is suitable for network environments that require the use of STP cables, installed in a 19 inch rack and providing protection for unused ports in the rack.

With its sturdy construction and ample port capacity, this patch panel system offers a reliable solution for streamlining your Ethernet, voice, and data cabling.

1U 24-Port Blank Keystone Patch Panel supports standard sized Cat5e, Cat6 keystone jacks for audio video & data and fiber optic for flexible network setups.

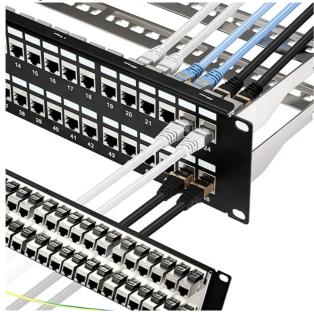

### **Features**

- 1. With earthing wire
- 2. Available types: 16 ports, 24 ports (1U) & 48 ports (2U)
- 3. Material: 1.5mm SPCC
- 4. Applied in 19" standard racks and enclosures
- 5. Accessories include cable ties & mounting screws
- 6. Compatible with most FiberMania's Keystone Jacks and Inline Couplers

## **Application**

- 1. Gigabit Ethernet
- 2. LAN aggregation
- 3. Data center management
- 4. Equipment rooms
- 5. Wiring closets

Product	Cat3/Cat5e/Cat6/Cat6a Copper Patch Panel
Port Number	8, 12, 18, 24, 36, 48, 96port
Front Panel	Cold rolled steel
Plastic	High impact and flame retardant plastic,UL94V-0 rated
IDC Accept	22-26 AWG Solid Wire
Transmission Standards	ANSI/TIA-568.2-D   ISO/IEC 11801 Class E
Wiring	T568A   T568B
Insulation Resistance	Min.500 Mega Ohms
Contact Resistance	Max.20milli-Ohms
Dielectric Strength	750V AC RMS 60Hz 1min
Operating Temperature	-10 °C to +60 °C (+14 °F to +140 °F)
Storage Temperature	-40 °C to +70 °C (-40 °F to +158 °F)
Flammability Rating	UL 94 V-0

### Q1: What is the warranty of FiberMania's fiber patch cord?

A: FiberMania warrants that all fiber patch cords supplied are free from defects in material and workmanship for a period of five (5) years from the date of supply. All fiber optic bulk cables are UL profiled and every single cable is 100% tested.

## Q2: Is it possible to customize our brand information on your fiber cable?

A: Yes, we can print your brand name onto our cable jacket and 1KM total cable length is requested.

### Q3: Can you do 3D interferometer test?

A: Yes, we do the 3D test per our customer's request, we can have the pass rate over 90% and even 100% if necessary.

## Q4: What is your MOQ of your products?

A: We only have MOQ for some special customized cable order, we request 1km as the total length of the bulk cable, you may consider stock the bulk cable with us for your urgent order production.

## Q5: Are free samples available from you?

A: Yes, we are always happy to offer the free samples for all of our customers' projects provided that the total cost is under 50 US dollars.

### Q6: Do you accept OEM and ODM orders?

A: Absolutely yes, we have been doing OEM services since we start in this business, and for every single label, printing, bag and carton design, we always treat it seriously and do it nicely. Our engineers can help you with your current design and even can open the new tooling for your specific project.
